

## BY CAR

If you are arriving by car from any direction, please head towards the city center (Mitte district). Our offices are located in the “Warburg Bank” building at Behrenstraße 36, 10117 Berlin, directly at “Bebelplatz” square (immediately to the right of the “Hotel de Rome”).

Parking spaces are available in the public underground car park (“Q-Park Unter den Linden / Staatsoper”) beneath “Bebelplatz” square, which can be accessed directly via Behrenstraße or the other entrance (between the rear of the State Opera House and St. Hedwig's Cathedral).

Please note that there is no entrance to this underground car park directly from the boulevard “Unter den Linden”. From “Unter den Linden”, you must first turn into the road “Bebelplatz” (next to the State Opera House). After about 100 m, you will reach the entrance to the underground car

park on your right.

There are **20 public charging stations** from the provider “Vattenfall in Charge” available in the underground car park (blocking fees are charged for charging times of more than 3 hours!).

Please ring the bell marked “DSC Legal”. Once you have entered the building, one of our staff members will come to greet you.

## BY TRAIN

The best way to get there by train is to travel to the “Hauptbahnhof” station (Central Station).

**Continuing from the Central Station:** From the “Hauptbahnhof” station, you can reach our office at “Bebelplatz” square by taking the U5 underground line (towards “U Hönow”). Please get off at the “Museumsinsel” station (4 stops).

Leave the “Museumsinsel” station in the opposite direction to the subway and use the escalators (there are several to the top). Please keep to the right at all times. At the end of the escalators (exit of the subway station), you will find the boulevard “Unter den Linden” on your right and the “Kronprinzenpalais” (Crown Prince's Palace) on your left. Walk about 100 meters further to the State Opera House (the TV tower will remain behind you). After the State Opera House, “Bebelplatz” square will be on your left. Cross “Bebelplatz” square. You will then reach

our law firm at Behrenstraße 36, which is located in the “Warburg Bank” building (immediately to the right of the “**Hotel de Rome**”).

Please ring the bell marked “**DSC Legal.**” Once you have entered the building, one of our staff members will come to greet you.
